

**Supplement to The Sun - Vol.XXVII - Plainfield, Wis., Oct. 21, 1910**

E.B. Jones was in Plainfield on business Tuesday afternoon.

**From the Hancock - Coloma News of June 16, 1911**

E.B. Jones has sold three autos the past week -- a Red Streak to Dr. Federman, of Plainfield; a small runabout to Winnie Straw, one of Plainfield's mail carriers, and a Model F to "Doc" Rathermel of Leola.

E.B. Jones and son Clifford left here in an auto Wednesday morning at 4 o'clock for Oxford, where they did half a day's auto repairing and returned home in time for dinner. In the afternoon they took three autos to Westfield for demonstration before prospective purchasers.

**From the Hancock - Coloma News Friday, September 3, 1915, Page 1**

There has been a substantial increase in students at our local schools. The attendance from outside is large, especially in the high school, which now contains 65 students in all. Homes have been freely opened for boarding the outsiders and more seats have been ordered to accommodate them in the schoolroom. Following is a list of high school students thus far enrolled.
