

There was a wedding in town on Sunday, the contracting parties being Fred of Marshfield, and Miss Lizzie Cope of this place.

We acknowledge a pleasant call on Sunday from D. W. Jones and J. Bade, of Rose. They report all lovely in that part.

The unpleasant weather has rendered it impossible for farm work and as a consequence the farmers begin rushing their produce to market. Yesterday was a lively day in town.

I. Crane and P. T. Parish were in the first of the week sympathizing with each other over the October elections, trying to convince themselves that they had a walk-away in this district. Right, gentlemen, we admire your courage, but you have our sympathy but lose it.

Mr. Omich was called on Sunday by Dr. Gustin, of Oasis, whose eye was so sorely hurt by having a straw driven into it while thrashing a few weeks ago, and was troubling him. The Dr. succeeded in removing the second piece of which was about 1/4 inch in length. The eye was evidently split and this was what was taken out at the time of the operation. Mr. Gustin will no doubt finally lose the use of his eye.

Mrs. Diana redeemed herself one week ago. She gave Republican majority of 100. Hurrah for the Hoosiers! Gabriel Bouck, Ex-Congressman for the district after March 4, 1881, was in town Friday last.

Breeze straight from the Indiana State Headquarters passed this way this morning, and it was a dampener. Tomorrow will be a big day in Wautoma with the candidates that are spoken

MR. POTTER'S REPLY.

Gentlemen:—I have duly considered your very flattering endorsement and cordial request for me to be a candidate for District Attorney at the coming election. I have not sought the office, and do not now desire it; but inasmuch as the voters of Waushara County have generously supported me when I did want office, I now feel as though it would not be in good taste for me to decline when they request me to accept an office, however small the salary may be. I therefore consent that my name may be used for the office of District Attorney, and if elected it will be my earnest endeavor to discharge the duties of the office honestly, fearlessly, and to the best of my ability.

Thanking you, gentlemen, for the kind sentiments expressed in your call, I am very respectfully your obedient servant.

R. L. D. POTTER.

HANCOCK.

The weather (that fruitful theme) has got on a campaign. Indian summer has departed and the "full change" predicted is upon us in all the glory and whiteness of the first snow storm of the season. Everybody thinks if it had held off a week longer they would have been better prepared, but the fact is some people are never ready for winter of which number the writers of this confesses to being one.

Since our last this town has lost one of its most respected citizens, in the person of "Uncle Buell" who died quite suddenly Thursday night. The deceased was the father-in-law of F. R. Jones, of this town, and has for a number of years made his home with his daughter. He was universally liked and respected and his loss will be deeply felt and sincerely mourned by the home circle wherein he has left a vacant place nevermore to be filled.

A political meeting with Republican speakers is advertised in this town for next Thursday evening.

G. W. SHEARDOWN, P. M.

POLITICAL.

Col. Fred Barrett of Louisiana, and J. K. Parish, of Medford, will address the people of Waushara county on political matters at the following places:

- Hancock, Thursday Oct. 21.
- Plainfield, Tuesday Oct. 26.
- Wautoma, Wednesday Oct. 27.

OUR SENATOR.

Mr J. F. Wiley, of Hancock, was nominated by the Republicans of the 9th district for Senator. This is a nomination eminently fit to be made. The selection of such men as Mr. Wiley does a good deal to elevate politics in the estimation of the public.—Stevens Point Journal.

This is one of the best and most popular nominations yet made. Mr. Wiley will enter the Legislative rolls for the first time next winter, and his well-known business capacity and general experience in public affairs, will obtain for him early recognition as one of the prominent members of the Senate.—Madison Journal.

A CARD.

To the kind people of Plainfield who have lent to us both their sympathy and assistance in our hour of sorrow and bereavement we extend our heartfelt thanks. May they never lack assistance should sickness or
